The runsite is in an area where many people go for their walks and jogs as a matter of regular exercise. So what kind of a run can a Hash Chapter do in such an area?

Well, a good and very long one as we saw last Monday. But let Robb tell you:

Out on the RHS first check overseeing the road and car park. Go forward or back check to find paper.

2nd check again by the road, two choices left, but can also go across the road sort of parallel to the road around the golf course. Paper across the road keeping right to emerge by the back entrance to the Equestrian centre where

Check3 was laid. Paper up the road on tarmac. Paper again turned right onto jungle tracks then back on the road to the water tank by Sri Hartamas. This road looks not to be used much. Not as far as the water tank we turned back on the lower track to find, no surprise a circular check

Check4 circular by the new houses, usually we have trudged up the unmade road. Now this is blocked off so paper followed the fence to the top of the hill, turned right and go over the tunnel. Along tracks to come out at Ayuramas Condo, Mont Kiara, and turn left. Paper went down to the Sungai Pencala kampong road and the long drag home via the back end of TTDI and the usual trail above the TTDI park.

On Sec was back early as he had to give away the freebie singlet and a patch.

It got dark early as it does at this time of the year and runners were streaming in. The run was a long one but as usual in the Mother hash, no one complains. Especially this time, as there was hot porridge waiting.

Circle started a little later and members had to be forced away from the scent of the roast lamb to the circle.

On Sec told a tale of how he had run in Singapore some years back and an unmentionable had told him, a certain hasher said that anyone who runs on a men's hash must be crazy. So he quit as a Mother hash member. Well, that hasher must have had a lobotomy as he decided to return as a member again. That hasher, Dave Settergren got on the box for a welcome back by members. He then put on his butler's vest and got to work.

The hare and the co-hares were called up. Everyone enjoyed the run and they got their drink.

On Cash came up and announced that the threat in the newsletter that unpaid members would not get their freebie, worked somewhat well. Because, many paid up. He then got Albert Ting and Poon Chai on the box. Albert got his 5 year patch and Poon Chai his 25 year patch.

The guests were up. Ronnie Strachan, who travels/runs about around the world all the year round, Buffalo Gan a co-hare, Sotong and Bobby who both enjoyed the run and will come back and How Siow. (On Sec got his money as soon as he came back from the run).

Hardy said his piece with the important announcement about the Annual Joint with the Singapore HHH on February 7<sup>th</sup> 2015.

Next week's hare, Dexter came on the box and did his duty as the bomoh. He got Daniel for new shoes. Daniel hotly objected that they were not new even though Sergeant Eddie said so. But good ole Daniel sportingly took his drink.

Tau Foo Soo, Reid and Peter were up and the bomoh said something about the kwai loh's being called kwee lau.

On Sec and Gary were up for trundling around the runsite as they arrived looking for a good parking spot.

With charges open to the floor, Dave got Gary for spreading a virus from his pc.

Russell made the horrific announcement that the pisspot was lost!! This was at Edwin's run but he had gone off, so Bull was considered a good look alike.

On Sec noted that whenever the On On was at the runsite, all are quiet and not keen on charges. Pitying them, On Sec closed the circle and the hare announced the On On.

It was as usual fantastic. Roast lamb all cut up and ready to pick from the hot plate. And on the side of chicken-stock-soaked rice, sliced roast pork, steamed chicken, sliced cucumber, salad leaf and really hot chili sauce. And to top it all, herbal chicken soup, kwai lohs taking it before and locals after! Those not there and reading this, drool boys, drool!!

The hare was suitably thanked for this long run and terrific food, extra beers, all free.
