

RUN NUMBER: 3813

HARE: SOH OOI YEONG

RUNSITE: SEMENYIH HIGH TECH 6

SCRIBE: ROB STOTT

10.6km over 500m of climb

I thought similar to the last time run but a little different. On the way back where we were above the quarry, it was not the same quarry, it was a different quarry. Track of previous run in May included.

Rob
