THE RUN

On On was called by On sec, trail was up on pebbles stones a steep climb, 1.5km to 1 check

A) The 1st check was lasted 10min... On called was right side zig zag alone d way came cross concrete slap where v at d 4 season park...

B) 2nd check was on left slope of d tar road.. On On was called by Ah Kah, within seconds... right side heading back to forest again...
This round was long, Swampy n winding trail kind of commando training ground...

C) 3rd Circular Checks-Damn tat was huge circle almost 2km
All back runners on par with d front runners... Hashers looking high n low to break d checks... close called by honker Hoi Long Wong who found on paper deeply hidden inside d darkness of bushes... time wasted was more than 15minutes... crawling alone muddy or kind of commando trail to reach (Sapu tangan)

D) 4th checks was right n down tar road..... was easy n broke by one of guest Louis.... Two very tense n steep climb alone d tar road to reach d peak only to find tats another checks..... haizzz

E) 5th checks was getting dark has slow down our focused, yet it takes us more than 10min.... checks finally On heading to Tower n home trail is about 2km...
