Heavy Rain before the run start, also Mandarin Orange given out before call On On by Onsec.

Hare is Italian also good runner most of time... from start toward the 1st check, some of harsher slow down worry turn right instead heading to uphill, finally Aka call onon uphill.

For me have to turn back due to my leg injury, for the running trail I can't talk 3 talk 4. Thousand apologies.

Back at run site Michael as guest to be consider as 1st runner, but over run didn't follow paper, blindly run.

OnSec declared FLYINGMAN N Sotong as 1st runner.. some of hasher a bit complain for 12.5km run but enjoyable after CNY too much foods & drinks to clear the toxic inside "stomach/belly", some of slow runner or hasher FXXK a bit like Leong said so follow ZuricBee for short cut 2km...

During on down, after CNY most of China man "Stomach" all pregnancy like AhHOCK, Big Mouth Monkey, but Big Mouth Monkey a bit jealous because AHHOCK is bigger than him ... call Ah Hock to on down.

Next week hare @ Foo Kojak ... very happily call all the BOTAK to be on box for celebration of his upcoming run at Bukit Tinggi...

Makan Time at Restaurant, Hare Italiano very good person, each table given 2 red wine, I think Hare u bit out our mind drink with Chinese Tea Glass... the way of drinking wine? Are you stayed too long KL, just follow local China man style...

1st time I seen "GUILOW" WhiteMan given Free on on.... As Malaysia ...wish to said

"Banyak Banyak
Terima Kasih" (Thank A Lot).

Regards.
